British Journal on
ALCOHOL AND
ALCOHOLISM
Journal of the Medical Council on Alcoholism
Founding Editor Dr H D Chalke

Index to Volume 14, 1979

A

Alcohol and Cancer, *A. B. Lowenfels*, 3, 148.
Alcohol Problems in Employment, 1, 21.
Alcohol Related Hypoglycaemia in Children Again: A Sunday Morning Hazard? *D. E. Bradford*, 2, 84.
Alcohol State Dependent Effects in Humans, *L. D. Young*, 2, 100.
Alcohol Use and Labelling of the Alcoholic: Factors in the Classification of Deviance, *H. P. Chalfont*, 2, 90.
Alcohol Use and the American Indian—some Socio Cultural Lessons about the Nature of Alcoholism, *J. O. Whittaker*, 3, 140.
Alcoholism in Doctors, *A. Balfour Sclare*, 4, 181.
Annotations:
- Alcohol, Alcoholism and Drugs, *D. H. Marjot*, 2, 69.
- Alcohol Induced Hypoglycaemia. *J. Wright*, 4, 174.
- Alcohol: Poison or Food, *H.-G. Tittmar*, 2, 66.
- Alcoholism Treatment—Finding New Directions, *N. H. Rathod*, 3, 121.
- Animal Models in Alcohol Research, *Allan D. Thomson*, 4, 180.
- Disulfiram Implants, *J. S. Madden*, 1, 7.
- Edinburgh Conference for Medical Students on Alcohol and Alcoholism, *K. M. Mayne*, 1, 11.
- Intoxication and Withdrawal Assessment Scales, *B. D. Hore*, 1, 2.
- Lithium and Chronic Alcoholism, *Julius Merrie*, 4, 176.
- Medical Students' Prize Essays, *H. Murphy and R. Davenport*, 3, 122.
- Occupations and Alcohol-related Problems, *M. A. Plant*, 3, 119.

Approach to the Use of Animal Models for the Study of Alcoholism, *C. M. Evans*, 1, 37.

B

Badawy, A. A.-B., Further Evidence against inhibition of rat liver Tryptophan Pyrrolase by Chronic Ethanol Administration, 1, 59.
Book Reviews:
- Alcohol and Alcoholism. Report of the RCP, 3, 164.
- Alcohol and Aldehyde Metabolizing Systems. *Eds. Thurman, Williamson, Drott and Chauce.* 2, 106.
- Alcohol Intoxication and Withdrawal. IIIa (Biological Aspects of Ethanol). IIIb (Studies on Alcohol Dependence). *Ed. M. M. Gross.* 30pp. 168.
- Alcoholism: New Directions in Behavioural Research and Treatment. *Eds. Nathan and Maslatt*, 2, 109.
- Alcoholism Problems in Women and Children, *Greenblatt and Schuckitt*, 2, 113.
- Behavioural Treatment of Alcohol Problems. Individualised Therapy and Controlled Drinking, *Sobell and Sobell*, 2, 109.
- Cocaine and other stimulants. *Eds. Everett, Ellingwood and Kilbey*, 3, 168.
- Currents in Alcoholism: Biological and Biochemical and Clinical Studies Vols III and IV. *Ed. Seixas*, 2, 107.
- Emerging Concepts of Alcohol Dependence, *Pattison, Sobell and Sobell*, 3, 167.
- Guide to Alcoholic and Drug Dependence, A. *Madden*, 3, 164.
- Impact of Alcoholism, *S. F. Bucky*, 4, 255.
- Law and Mental Health: harmonising objectives, The. *Curran and Harding*, 2, 116.
- Medico-social risks of Alcohol Consumption, *Commision of the European Communities*, 4, 255.
- Practical Approaches to Alcoholism Psychotherapy. *Eds. Zunberg, Wallace and Blume*, 3, 166.
- Responding to Drinking Problems, *Shaw, Cartwright, Spratley and Harwin*, 2, 112.
- Ten to Fourteen-year-olds and Alcohol Vol. III, *Aitken*, 2, 110.
- Victims No More, *McCabe*, 2, 115.
- Workers who Drink, *Schramm, Mandell and Archer*, 2, 114.

Bradford D. E., Alcohol Related Hypoglycaemia in Children Again: A Sunday Morning Hazard? 2, 84.

C

Caldwell, Admiral Sir Dick, 2, 65.
Cellular Tolerance to Ethanol as Membrane Adaptation: A Review, *John M. Littleton*, 1, 23.
Chalfont, H. P., Alcohol Use and Labelling of the Alcoholic: Factors in the Classification of Deviance, 2, 90.
Chalke, H. D., 4, 169.

D

Davenport, R, 3, 122.
Davies, Phil, 4, 208.
Disulfiram Implants, *J. S. Madden*, 1, 7.

E

Editorials:
- A Hard Winter, 4, 169.
- Bertalanffy and Negentropy, 3, 117.
- Certainties for 1979, 1, 1.
- Shipshape, 2, 65.

Estimating Drinking Patterns and the Prevalence of Alcohol-related Problems, *M. A. Plant*, 3, 132.
Evans, C. M., An Approach to the Use of Animal Models for the Study of Alcoholism, 1, 37.
